CALIFORNIA NOVELTIES.

Price 25 cents per package.

Lobelia splendens, perennial 2 to 3 feet high, flowers intense scarlet an inch long, very conspicuous.

Delphinium cardinale, the true scarlet larkspur, growing 5 to 6 feet high, producing its showy bright red flowers for months.

Trichostema lanatum, shrubby 2 to 3 feet high, rosemary like, flowers of a deep purple in spikes a foot long, a most interesting and showy plant.

Pentstemon Clevelandi, 3 feet high, very leafy, flowers bright crimson, $\frac{3}{4}$ to 1 inch long, very large and conspicuous.

Romneya Coulteri, a magnificent shrub of Southern California, flowers 4 to 5 inches in diameter, white, fragrant.

F. A. MILLER,

No. 215 HAYES STREET.
